l, m, n, (ng), o, p
Vowel: o: (/ə /, / /, / /)
Consonants: l: (/ l/ ,//); m (/ m/,/m/); n: (/ n/, /n/); ng: (/ng/); p: (/pi /,/p/)
*Phonetic symbols will not be taught. Only sounds will be practised through the target words in the theme.

ÖĞRENME ÇIKTILARI VE SÜREÇ BİLEŞENLERİ

Kod	Öğrenme çıktısı
ENG.5.6.L1	Students can get ready for the listening/watching-comprehension process for the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city” carefully. • a) Students activate their pre-existing knowledge and experience related to the current theme and content by recalling their background knowledge imaginatively in her/his own language without speaking it. • b) Students identify significant relationships between their pre-existing knowledge and experiences and the clues to the current content without translation. • c) Students make predictions about the current content on “life in the world” by using the relationships that they recognised accurately by looking at the provided realia, pictures, and context. • d) Students make predictions about the current content based on the surrounding audio/visual elements in relation to the current theme.
ENG.5.6.L2	
ENG.5.6.L3	Students can make meaning of/derive meaning from the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city” through significant details by listening/watching it carefully. • a) Students check any initial predictions related to the current content by being aware of the commonalities between self-predictions and clues provided as visuals surrounding the current content. • b) Students make important and necessary classifications in the current content that help them to understand it better with details. • c) Students make important and necessary comparisons in the current content that help them to understand it better with details. • d) Students recognise significant horizontal/vertical/spiral relationships (if any) within the generally perceived current content with the help of classifications and comparisons made earlier. • e) Students make significant inferences that contribute to the understanding of the meaning of the generally perceived current content. • f) Students construct the meaning of the current content in detail through the classifications/ comparisons/ inferences made earlier in relation to it. • g) Students internalise the current content in an individualised and appropriate way according to age and language level.
ENG.5.6.L4	Students can convey their knowledge, experience, thoughts, and feelings examined carefully about the whole listening/watching-comprehension process in relation to the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city”. • a) Students convey their personal knowledge, experiences, thoughts, and feelings examined carefully in relation to the listening/watching-comprehension process about the current content. • b) Students convey their personal knowledge, experiences, thoughts, and feelings examined carefully in relation to the listening/watching-comprehension process about the current content by sharing them with others.
ENG.5.6.P1	Students can select and use the target phonological elements of the current content about “life in the world with basic food types; ordering in a restaurant; food events in the city” accurately, authentically, and naturally through spontaneous decision-making processes and use it in an appropriate and effective way when communicating with others. • a) Students listen to the current content by paying attention to the target phonological aspects including pronunciation and intonation of utterances. • b) Students reinforce the target phonological elements by repeating them after the source several times as a whole class, in groups and individually. • c) Students recognise the target phonological elements of the current content when they are heard in different

Kod	Öğrenme çıktısı
	contexts. • d) Students recognise target phonological elements specific to the current content when they are heard in different contexts and use them accurately, authentically, and naturally through spontaneous decision-making processes. • e) Students use the target theme-specific phonological elements of the current content appropriately, spontaneously and effectively when communicating with others.
ENG.5.6.R1	Students can get ready for the reading-comprehension process about the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city”. • a) Students activate their pre-existing knowledge and past experiences related to the current theme and content efficiently. • b) Students recognise significant relationships between their pre-existing knowledge, past experiences and clues to the current content. • c) Students making significant preliminary predictions about the current content based on recognised relationships. • d) Students make detailed predictions about the current content by exploring the audio-visual clues surrounding it.
ENG.5.6.R2	Students can bring information about the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city” through skimming (looking quickly at) the audio-visual elements and reading the content very quickly. • a) Students review the current content by looking at the surrounding audio/visual materials to identify what it is about in general through skimming. • b) Students read the current content to scan the major components silently and quickly with the help of the clues provided. • c) Students carefully read the current content silently and carefully to find significant details and components belonging to the theme.
ENG.5.6.R3	Students can make meaning of / derive meaning from the current content about “life in the world with basic food types; ordering in a restaurant; food events in the city” by reading it carefully. • a) Students carefully check the current content in detail for the accuracy of initial and detailed predictions that are made earlier. • b) Students classify the significant elements of the current content that contribute to the perception of the content in a meaningful way. • c) Students compare significant elements of the current content that contribute to the perception of the content in a meaningful way. • d) Students recognise significant horizontal/vertical/spiral relationships within the current content that contribute to the perception of the content in a meaningful way. • e) Students make meaningful inferences from the information in the current content by examining it carefully. • f) Students internalise the information in the current content in an individualised and appropriate way according to age and language level.
ENG.5.6.R4	Students can convey their knowledge, experiences, thoughts, and feelings related to the reading-comprehension process about the current content, “life in the world with basic food types; ordering in a restaurant; food events in the city” in relation to themselves or others, both individually and/or with others. • a) Students convey individually the knowledge, experiences, thoughts, and feelings that have been carefully examined in relation to the current reading-comprehension content and process. • b) Students convey the knowledge, experiences, thoughts, and feelings that have been carefully examined in relation to the current reading-comprehension content and process by sharing them with others. • c) Students produce new products related to the current reading-comprehension content and process by revising their personal work carefully after participating in reflective activities.
ENG.5.6.V1	Students can select and use the target vocabulary of the current content about “life in the world with basic food types; ordering in a restaurant; food events in the city” accurately, authentically, spontaneously, and naturally and use it appropriately and effectively when communicating with others. • a) Students guess the main topic of the current content from the audio/visual/written elements (e.g. sound, voices, scenes, written words) in the contextual material by listening (to)/watching/ reading it several times for recognition. • b) Students recognise sub-themes/key components of the target words to which they belong in the current content by scanning.

Kod	Öğrenme çıktısı
	• c) Students recognise the target words related to the main components of the current content with the help of the audio/visual/written elements and other clues. • d) Repeating aloud the relevant target key components and target vocabulary in the current content with the whole class, in groups, and then individually together with or after listening (to)/watching/reading the source material. • e) Students recognise the use of target words and expressions in the current content by making various guesses with the help of supplementary elements. • f) Students make context-appropriate selections automatically by associating target words with their pre-existing conceptual meanings in the mind without analysing their contextual meaning in detail. • g) Students use the target words spontaneously and appropriately in different communicative contexts by being aware of their differences when communicating with others.
ENG.5.6.G1	Students can select and use the target grammatical elements of the current content about “life in the world with basic food types; ordering in a restaurant; food events in the city” accurately, authentically, spontaneously, and naturally and use it appropriately and effectively when communicating with others. • a) Being familiar with the current content by listening (to)/watching/reading it a few times attentively. • b) Students listen (to)/watch/read the same content, attentively and mindfully, including the use of target grammatical chunks presented verbally in context with the help of body language. • c) Students verbally and automatically repeat simple and meaningful clauses/sentences containing target grammatical chunks that they have noticed in the current content that they have heard/viewed/read without explicit knowledge of the rules. • d) Students act out physically the clauses/sentences containing the target grammatical chunks in the current content heard/viewed/read by repeating them several times without knowing, analysing, and thinking about their rules. • e) Students see and read the example sentences containing target grammatical chunks provided for language awareness carefully. • f) Students gain awareness of clauses/sentences that contain target grammatical chunks that are presented for the purpose of raising language awareness. • g) Students recognise the clauses/sentences containing the target grammatical chunks when they encounter them by seeing and/or hearing them in different contexts. • h) Students use the recognised target grammatical chunks naturally, authentically, and automatically in new contextual tasks and activities without analysing their rules. • i) Students produce new and meaningful verbal/written content about the current theme by using the target grammatical chunks in meaningful tasks without knowing and analysing their rules. • j) Students use the target language chunks authentically, automatically, and naturally in communication processes without analysing their rules in meaningful contexts.
ENG.5.6.W1	Students can get ready for the writing-expression process about the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city”. • a) Students relate their pre-existing knowledge and experience used in the initial processes of writing-expression skills to the current content by activating them in relation with the current content. • b) Students understand what the writing task and its content are in relation to the current content correctly by making use of their pre-existing knowledge and experience as guided and assigned.
ENG.5.6.W2	Students can understand the model/example for the writing task about the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city”. • a) Students understand the components and details of the content in the provided model/ sample which is displayed as a guide, by examining it carefully.
ENG.5.6.W3	Students can organise a content for the assigned writing task on the current content “life in the world with basic food types; ordering in a restaurant; food events in the city” based on the model/example provided. • a) Students conduct preliminary research for a prepared writing situation according to the current content appropriate to the assigned writing type, age, and language level. • b) Students develop a simple draft for a prepared/or unprepared writing task about the current content appropriate to the assigned writing type, age, and language level. • c) Students organise and/or produce materials relevant to the content for a prepared/ unprepared writing task, appropriate to the assigned writing type, age, and language level. ENG.5.6.W4. Students can individually construct/form content for the assigned writing task on the current content “life in the world with basic food types; ordering in a restaurant; food events in the city”.

Kod	Öğrenme çıktısı
	• d) Students express important messages in the written current content to the reader accurately and appropriately for a prepared and/or unprepared writing task.
ENG.5.6.W4	
ENG.5.6.W5	Students can reorganise (reconstruct) and use information in the new written tasks about the “life in the world with basic food types; ordering in a restaurant; food events in the city” to communicate with other people. • a) Students use the information in the current content or similar information in a different content by internalising and selecting it individually and reorganising it as required and meaningfully in different contexts. • b) Students exchange information/ideas in written communication by sharing reconstructed meaningful knowledge meaningfully with others.
ENG.5.6.W6	Students can reflect on their knowledge, experiences, thoughts, and feelings related to the writing-expression process about the current content, “life in the world with basic food types; ordering in a restaurant; food events in the city” in relation to themselves or others, both individually and/or with others. • a) Students convey individually the knowledge, experiences, thoughts, and feelings reviewed in relation to the current writing-expression content and process. • b) Students share the knowledge, experiences, thoughts, and feelings reviewed in relation to the writing-expression process about the current content with others. • c) Students produce new written products related to the current writing-expression content and process by revising their personal work carefully after participating in reflective activities.
ENG.5.6.S1	Students can get ready for speaking-expression process about the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city”. • a) Students make connections with the current content by activating their pre-existing knowledge and experiences that they have recalled in the listening (to)/watching/reading sections previously.
ENG.5.6.S2	Students can use the model/example for producing verbal content about the current content on “life in the world with basic food types; ordering in a restaurant; food events in the city”. • a) Students listen (to)/watch/read the model/example for the current content with the help of audio/visual/written elements.
ENG.5.6.S3	Students can organise a new verbal content on “life in the world with basic food types; ordering in a restaurant; food events in the city” by speaking accurately, efficiently, and authentically. • a) Students recognise what form and type of content is expected and assigned for prepared/ unprepared speaking situations based on audio/visual/written content as provided in the model/example. • b) Students organise the content for prepared/unprepared speaking situations in an appropriate and accurate way as they have heard/seen/read in the model/example. • c) Students develop a draft for prepared/unprepared speaking situations, appropriate to the age and language level as presented in the model/sample content. • d) Students organise supplementary audio/visual/written materials for prepared/or unprepared speaking situations, appropriate to age and language level, as provided in the model/sample content. • e) Students organise the information about the current content to be presented for prepared/or unprepared speaking situations in an appropriate way as required.
ENG.5.6.S4	Students can construct a new verbal content on “life in the world with basic food types; ordering in a restaurant; food events in the city” by speaking accurately, efficiently, and authentically. • a) Students use target pronunciation, vocabulary, language chunks, and forms of discourse related to the current content effectively by selecting them accurately and appropriately for prepared/unprepared speaking situations. • b) Students present individually prepared content in an accurate and efficient way as presented in the model/example for prepared speaking situations clearly, efficiently, and appropriately. • c) Students present individually prepared information in an accurate and efficient way as presented in the model/example for unprepared speaking situations. • d) Students express the message about the current content clearly to the reader by using all supplementary elements and body language in an appropriate and accurate way in context for prepared and/or unprepared speaking situations.
ENG.5.6.S5	Students can reorganise (reconstruct) and use information about the “life in the world with basic food types; ordering in a restaurant; food events in the city” to communicate with other people. • a) Students use the information presented in the current content by reorganising it appropriately, efficiently,

Kod	Öğrenme çıktısı
	individually, and verbally in different contexts. • b) Students engage in appropriate and efficient verbal communication by sharing the reconstructed meaningful information about the current content with others.
ENG.5.6.S6	Students can convey their knowledge, experiences, thoughts, and feelings related to the speaking-expression process about the current content, “life in the world with basic food types; ordering in a restaurant; food events in the city” to communicate with other people in relation to themselves or others, both individually and/or with others. • a) Students convey individually the knowledge, experiences, thoughts, and feelings examined carefully in relation to the current speaking-expression content and process. • b) Students share the knowledge, experiences, thoughts, and feelings examined carefully in relation to the speaking-expression process about the current content with others.

ÖLÇME VE DEĞERLENDİRME

EVALUATION FOR THE SKILLS AND THE CONTENT:
PERFORMANCE ASSIGNMENT: Students will work in pairs to create a short dialogue about ordering food in different types of restaurants and cafés. Each pair will include things like greetings, asking about the menu, choosing food, and talking about preferences. Then they will act out their dialogue in front of the class. The assignment will be evaluated by using a rubric scheme, a rating scale, and/or a marking scheme.

BELİRLİ GÜN VE HAFTALAR

23 April,
National Sovereignty and Children's Day
