*National and Religious Days, Festivals, and Celebrations: “29 October Republic Day”, “23 April National Sovereignty and Children’s Day”, “19 May Commemoration of Atatürk, Youth and Sports Day”, “15 July Democracy and National Unity Day”, “30 August Victory Day”, “Eid al-Fitr (Eid-al-Ramadan)”, “Festival of Sacrifice (Eid-al-Adha)”.
*(Relevant language content and (communicative) activities related to these national and religious days, festivals, and celebrations will be developed and integrated across all themes and in all appropriate sections
wherever and whenever possible.)
*Local Cultural, Social and Moral Considerations of the Theme
In this theme, specific examples, cases, situations, events, and practices reflecting Turkish social, cultural, and moral customs, traditions, and heritage will be included across all sub-themes. This consideration will be age-and-level appropriate and selected with the Turkish learners’ social and cultural context in mind. A table for this section is provided in the introduction to the whole English Language Curriculum.
Target Grammatical Structures in Use:
-The Present Progressive Tense for the future: (We are moving to a new apartment next week).
-The Simple Present Tense for the future: (The plane to London takes off at 9:15 tomorrow morning).
-Conjunctions (when, while): (The cook prepares the food when the guests arrive. I will wait for you outside
while you are in the meeting).
-Wh- questions (Which): (Which job does your cousin do? Which room is upstairs?)
-Reflexive pronouns: (The reporter is introducing herself to the audience).
Functions of the Grammatical Structures in Use:
-The Present Progressive Tense for the future: Talking about planned future events or arrangements.

-The Simple Present for the future: Expressing scheduled or regular events in the future.
-Conjunctions (when, while): Describing actions or events that happen at the same time or one after the other.
-Wh questions (Which): Asking for specific information or making distinctions.
-Reflexive pronouns: Emphasizing that the subject and object of an action are the same.
Target Social Language in Use:
Keep that secret in the family, please!
My father works all hours on his new job!
Please make yourself at home!
Target Phonological Sounds in Use:
a, b, c, d, e,
Vowels: a: (/ae/, /aeı/, /ə/, /a:/, /e /, /ɜ:/, /a/, / /ɛə/); e: (/e/; /i:/, /ə/)
Consonants: b: (/b/), silent /b/); c: (/si/, /k/); d: (/d/)
*(Phonetic symbols will not be taught. Only sounds will be practised through the target words in the theme).

ÖĞRENME ÇIKTILARI VE SÜREÇ BİLEŞENLERİ

Kod	Öğrenme çıktısı
ENG.6.4.L1	Students can get ready for the listening/watching-comprehension process for the current content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” carefully. • a) Students activate their pre-existing knowledge and experience related to the current theme and content by recalling their background knowledge imaginatively in her/his own language without speaking it. • b) Students identify significant relationships between their pre-existing knowledge and experiences and the clues to the current content without translation. • c) Students make predictions about the current content on “family life” by using the relationships that they recognised accurately by looking at the provided realia, pictures, and context. • d) Students make predictions about the current content based on the surrounding audio/visual elements in relation to the current theme.
ENG.6.4.L2	Students can bring information about the current content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” together through significant details and main components while listening/watching it. • a) Students comprehend the topic of the current content by listening (to)/watching it as a whole. • b) Students recognise the significant details and components within the whole current content by listening (to) and watching it again in a careful manner.
ENG.6.4.L3	Students can make meaning of/derive meaning from the current content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” through significant details by listening/watching it carefully. • a) Students check any initial predictions related to the current content by being aware of the commonalities between self-predictions and clues provided as visuals surrounding the current content. • b) Students make important and necessary classifications in the current content that help them to understand it better with details. • c) Students make important and necessary comparisons in the current content that help them to understand it better with details. • d) Students recognise significant horizontal/vertical/spiral relationships (if any) within the generally perceived current content with the help of classifications and comparisons made earlier. • e) Students make significant inferences that contribute to the understanding of the meaning of the generally perceived current content. • f) Students construct the meaning of the current content in detail through the classifications/ comparisons/ inferences made earlier in relation to it. • g) Students internalise the current content in an individualised and appropriate way according to age and language level.
ENG.6.4.L4	Students can convey their knowledge, experience, thoughts, and feelings examined carefully about the whole

ENG.6.4.W1	Students can get ready for the writing-expression process about the current content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses”. • a) Students relate their pre-existing knowledge and experience used in the initial processes of writing-expression skills to the current content by activating them in relation with the current content. • b) Students understand what the writing task and its content are in relation to the current content correctly by making use of their pre-existing knowledge and experience as guided and assigned.
ENG.6.4.W2	Students can understand the model/example for the writing task about the current content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses”. • a) Students understand the components and details of the content in the provided model/sample which is displayed as a guide, by examining it carefully.
ENG.6.4.W3	Students can organise a content for the assigned writing task on the current content “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” based on the model/example provided. • a) Students conduct preliminary research for a prepared writing situation according to the current content appropriate to the assigned writing type, age, and language level. • b) Students develop a simple draft for a prepared/or unprepared writing task about the current content appropriate to the assigned writing type, age, and language level. • c) Students organise and/or produce materials relevant to the content for a prepared/unprepared writing task, appropriate to the assigned writing type, age, and language level.
ENG.6.4.W4	Students can individually construct/form content for the assigned writing task on the current content “family life with family members’ jobs, working places, and job routines; different types of family homes and houses”. • a) Students present appropriate and accurate materials for a prepared and/or unprepared writing task about the current theme according to the assigned writing type, age, and language level. • b) Students use appropriate discourse forms, styles, and rules relevant to the assigned writing type for a prepared and/or unprepared writing task. • c) Students use target words and grammatical language chunks accurately and appropriately for a prepared and/or unprepared writing task about the current content by selecting them according to the assigned writing type, age, and language level. • d) Students express important messages in the written current content to the reader accurately and appropriately for a prepared and/or unprepared writing task.
ENG.6.4.W5	Students can reorganise (reconstruct) and use information in the new written tasks about the “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” to communicate with other people. • a) Students use the information in the current content or similar information in a different content by internalising and selecting it individually and reorganising it as required and meaningfully in different contexts. • b) Students exchange information/ideas in written communication by sharing reconstructed meaningful knowledge meaningfully with others.
ENG.6.4.W6	Students can reflect on their knowledge, experiences, thoughts, and feelings related to the writing-expression process about the current content, “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” in relation to themselves or others, both individually and/or with others. • a) Students convey individually the knowledge, experiences, thoughts, and feelings reviewed in relation to the current writing-expression content and process. • b) Students share the knowledge, experiences, thoughts, and feelings reviewed in relation to the writing-expression process about the current content with others. • c) Students produce new written products related to the current writing-expression content and process by revising their personal work carefully after participating in reflective activities.
ENG.6.4.S1	Students can get ready for speaking-expression process about the current content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses”. • a) Students make connections with the current content by activating their pre-existing knowledge and experiences that they have recalled in the listening (to)/watching/reading sections previously.
ENG.6.4.S2	Students can use the model/example for producing verbal content about the current content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses”. • a) Students listen (to)/watch/read the model/example for the current content with the help of audio/visual/

Kod	Öğrenme çıktısı
	written elements.
ENG.6.4.S3	Students can organise a new verbal content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” by speaking accurately, efficiently, and authentically. • a) Students recognise what form and type of content is expected and assigned for prepared/ unprepared speaking situations based on audio/visual/written content as provided in the model/example. • b) Students organise the content for prepared/unprepared speaking situations in an appropriate and accurate way as they have heard/seen/read in the model/example. • c) Students develop a draft for prepared/unprepared speaking situations, appropriate to the age and language level as presented in the model/sample content. • d) Students organise supplementary audio/visual/written materials for prepared/or unprepared speaking situations, appropriate to age and language level, as provided in the model/sample content. • e) Students organise the information about the current content to be presented for prepared/or unprepared speaking situations in an appropriate way as required.
ENG.6.4.S4	Students can construct a new verbal content on “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” by speaking accurately, efficiently, and authentically. • a) Students use target pronunciation, vocabulary, language chunks, and forms of discourse related to the current content effectively by selecting them accurately and appropriately for prepared/unprepared speaking situations. • b) Students present individually prepared content in an accurate and efficient way as presented in the model/ example for prepared speaking situations clearly, efficiently, and appropriately. • c) Students present individually prepared information in an accurate and efficient way as presented in the model/ example for unprepared speaking situations. • d) Students express the message about the current content clearly to the reader by using all supplementary elements and body language in an appropriate and accurate way in context for prepared and/or unprepared speaking situations.
ENG.6.4.S5	Students can reorganise (reconstruct) and use information about the “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” to communicate with other people. • a) Students use the information presented in the current content by reorganising it appropriately, efficiently, individually, and verbally in different contexts. • b) Students engage in appropriate and efficient verbal communication by sharing the reconstructed meaningful information about the current content with others.
ENG.6.4.S6	Students can convey their knowledge, experiences, thoughts, and feelings related to the speaking-expression process about the current content, “family life with family members’ jobs, working places, and job routines; different types of family homes and houses” to communicate with other people in relation to themselves or others, both individually and/or with others. • a) Students convey individually the knowledge, experiences, thoughts, and feelings examined carefully in relation to the current speaking-expression content and process. • b) Students share the knowledge, experiences, thoughts, and feelings examined carefully in relation to the speaking-expression process about the current content with others.

ÖLÇME VE DEĞERLENDİRME

EVALUATION FOR THE SKILLS AND THE CONTENT:
PERFORMANCE ASSIGNMENT: Students will write a short descriptive booklet about one of their family members, focusing on their job, workplace, and daily routine. They will also include details about the type of home this family member lives in, describing its features such as the number of rooms, outdoor spaces, or special areas. To make their work more engaging, students will draw a simple illustration of the home and explain how it supports their family member’s daily activities and routines. The assignment will be evaluated by using a rubric scheme, a rating scale, and/or a marking scheme.
