–	REVISION 1 revises the A2 Prep Year Themes 1-8 through integrated listening/watching, reading, speaking, writing, vocabulary and grammaring tasks. Applicable theme-specific codes across ENG.PREP.1-ENG.PREP.8: L1-L3, P1, R1-R3, V1, G1, W1-W4/W6 and S1-S5. Listening/Watching-Comprehension (L1-L3): Students can prepare and get ready for listening (to)/watching, bring together information, and make sense of and derive meaning from dialogues, podcasts, quiz shows and interviews related to the Revision 1 content. Pronunciation: Selection and Use (P1): Students can select and use target pronunciation, stress and intonation accurately and naturally while acting out dialogues, recording a podcast and taking part in quiz-show interaction. Reading-Comprehension (R1-R3): Students can prepare for reading; bring information together through skimming, scanning and detailed reading; and make sense of and derive meaning from school, family, travel, nature and space texts. Vocabulary: Selection and Use (V1): Students can recognise, infer, verify, select and use target vocabulary accurately and appropriately in the revised contexts. Grammaring: Selection and Use (G1): Students can recognise, discover, practise and use revised grammatical items in meaningful contexts to communicate accurately and naturally. Writing-Expression (W1-W4, W6): Students can prepare for writing, analyse model content, plan and construct

	G1: examine contextual examples; identify target structures; compare examples; discover common features and formulate functional rules collaboratively; practise through meaningful contextualised activities; and produce accurate, authentic and natural spoken/written content. W1-W4/W6: activate prior knowledge; understand the task and model; brainstorm and plan; conduct necessary preliminary research; draft and organise content; select appropriate discourse form, vocabulary and grammar; communicate the message clearly; and adapt/reorganise information for written communication. S1-S5: relate prior listening, watching and reading to the speaking task; understand the model; identify the expected form; research, plan and organise content/materials; present clearly with appropriate vocabulary, grammar, pronunciation and body language; and reconstruct/share information in new communicative contexts.

ÖLÇME VE DEĞERLENDİRME

DIAGNOSTIC, FORMATIVE, AND PERFORMANCE-BASED ASSESSMENT

• Listening/Watching-Comprehension: Students’ understanding of gist, specific information, details, and inferences is assessed through true/false, multiple-choice, and short-answer tasks.
• Reading-Comprehension: Prediction, skimming, scanning, vocabulary-in-context, matching, table/chart completion, and identifying main ideas and supporting details are assessed.
• Speaking-Expression: Pair dialogues, role-plays, quiz-show interaction, and the 40-second family podcast are evaluated through an observation checklist and/or rating scale, focusing on intelligibility, fluency, interaction, relevant vocabulary, and accurate use of reviewed structures.
• Writing-Expression: The classroom campaign description, family email, travel blog, and time-machine paragraph are evaluated using a rubric and/or marking scheme, focusing on task fulfilment, organisation, coherence, vocabulary, grammatical accuracy, and mechanics.
• Vocabulary and Grammaring: Completion, matching, and contextual-use tasks assess the reviewed vocabulary, grammatical items, and social language from Prep Year Themes 1-8.
• Teacher records strengths and learning gaps to decide what to emphasise, revise, and practise before the next revision/new themes. Peer- and self-assessment with brief supportive feedback are included.
